

Bellehaven's Cafeteria Flow Chart

When lining up to place order for lunch tray students will:

Keep hands to self.

Stay within their bubble space.

Line up in the foyer along the brick side away from the noisy hall and plants.

When carrying lunch tray students will:

Hold your tray with both hands.

Look straight ahead.

Find a seat with only 3 people per bench.

When at the table students will:

Use quiet restaurant voices as if in a fancy restaurant.

Use your utensils and your napkin appropriately.

Respect your food, yourself & neighbor.

No trading foods until you are finished with your food.

Raise your hand if you need your teacher.

When excused from the table students will:

Gather all of their lunch items and dispose of in the proper place.

Line up in straight boy/girl lines when emptying your tray.

Line up at the designated area when leaving the cafeteria
